

2 Day Fire-Rescue-Tower Cross Training Course

May 16-17, 2018
in Myrtle Beach, SC

in conjunction with Myrtle Beach, SC Tow Show (May 18-19, 2018)

Featuring: Nationally Known Extrication Expert – Ron Moore

And Towing & Recovery Instructor – Wes Wilburn

We welcome everyone, including:

Towing Operators, Fire Rescue, Police, DOT personnel, Service Technicians

16-hour Fire Tow Cross Training Course includes:

- Frame and construction features of heavy/large vehicles and machinery or other large objects
- Use and components of a rescue chain assembly
- Use, care and maintenance of wire rope-power winches
- Large and heavy object weight estimation
- Hybrid vehicle awareness & basic shutdown procedures (car and heavy truck)
- Types and examples of lifting devices that use mechanical advantage principles
- Identification and use of various sling configurations
- Steps necessary to lift and/or move large objects
- Use of commercial light & heavy wreckers and recovery services to assist at incidents involving large transportation vehicles

Ron Moore, retired as a Division Chief with the McKinney (TX) Fire Department. He is now employed part-time with the Prosper, TX Fire Rescue and the Plano Fire Rescue. Ron holds a Bachelor of Science Degree in Fire Science (Summa Cum Laude) and continues to travel across the country conducting customized vehicle rescue & extrication training programs for passenger vehicles, bus vehicles, and large trucks. His newest offering is an instructor Train-the-Trainer vehicle rescue course based on NFPA 1006 & 1670 standards. As a Master Instructor for the Federal Highway Administration, Ron also specializes in presenting highway safety and traffic incident management classes for police, fire/rescue, EMS, and tow operators. Ron is the author of now over 200 published articles in his renowned University of Extrication series, featured each month in Firehouse Magazine and is the moderator of the University of Extrication interactive section of the Firehouse.com website.

Wes Wilburn, 30 year Towing Industry Veteran and Founder of American Towing and Recovery Institute of Fayetteville, NC. Wes has been published over 100 times in major towing publications. He has produced and conducted training and certification programs for leading towing companies, equipment distributors, and towing associations across the United States. Wes has “shared information” as a main speaker for twenty-one years at 750 plus sessions and has been recognized as one of America’s Greatest Towing Trainers. He is well known for his straight forward but down to earth teaching style.
